QUARTERLY UPDATE (JULY-SEPTEMBER) 2025

Dear Pastors and Praying Friends,

To God be the glory for another successful delivery of a 20ft container full of John/Romans to the Philippines! This container arrived at a church in Manila at midnight...and many faithful members were there to help unload.

They diligently worked well into the early morning hours, and tirelessly unloaded over 810 boxes into their facility. Lisa and I are looking forward to visiting this church next year, and helping distribute some of those booklets. Thanks again to everyone who helped make this printing and shipment possible for Manila!

We had a full schedule of meetings this quarter, and visited many new and supporting churches across the mid-west. One of the new churches we visited was

on an island in upper Michigan. This was a fun trip as we not only got to drive on the Mackinac Bridge...but we also had to put our RV on a ferry to get to the church!

While there, we presented our ministry, delivered some personalized John/Romans booklets, and also helped with their VBS program.

We then traveled to a Revival Campground in IL. This was my third year helping at the camp, and the first year for Lisa.

Lisa enjoyed her time there and kept busy helping the ladies in the kitchen. I kept busy helping with anything they needed.

From grounds maintenance, to helping with games, activities, and clean up...I was constantly busy from 7:30AM to 10:00PM each day! But the long days were well worth seeing many decisions made, and the Lord working in hearts!

We also had an opportunity to personally deliver thousands of booklets to a second church in Michigan, and then to a church in Kansas. While at these churches, I not

only had the privilege of preaching and presenting our ministry, but I also helped cut grass, and mount flat screen monitors and grease boards in classrooms to help prepare for their upcoming school year.

Throughout this quarter, we were also able to raise funds for rolls of paper, and begin raising funds to offset the cost of shipping Spanish booklets to a missionary in Mexico. We plan to ship 10 pallets in March 2026, and trust the Lord will provide the remaining funds by this fall/winter (~\$5K need).

Soon after we returned home from our travels, we then hosted one of our supporting churches from Idaho Falls. This was their second year coming out to the press, and helped collate, staple, trim, and box 12,000 English and Spanish John/Romans booklets! They were a tremendous help, and we had a wonderful time of fellowship and serving the Lord.

Looking ahead this next quarter...please keep us in prayer as we travel. We'll be traveling to Alaska for four weeks visiting new and supporting churches, and we'll also be visiting churches in CA and ND. Between the above visits...I also plan to resupply our seedline ministries with materials to help produce 50K more booklets for Mexico. Additionally, we'll begin preparing and printing our next project...sending a 20ft shipping container to Croatia. Thanks again to all for your prayers and support for us and Lighthouse Baptist Press...keep **PRESS-ing On!!**
