UNITED WAY
Suncoast

Chief Executive Officer Opportunity

United Way Suncoast mobilizes communities to action so all can thrive. With a focus on Educational Opportunity, Financial Security, and Community Resiliency, United Way creates an interconnected path that empowers individuals to achieve the Freedom to Rise and build the lives they envision for themselves, their families, and their communities. Highly qualified candidates with a track record of leading a complex, impact-driven organization and a value-based leader who can foster a strong internal culture, build trust across partners and communities, and inspire collective action in service of United Way Suncoast's mission, we invite you to explore this exciting opportunity. For more information and to be considered, please contact Winner Partners at UWS@winnerpartners.net
