

Global Scale Advisor & Multi-Discipline Operator

PE firms need operators who can step in fast, stabilize the business, and build an operating machine that supports value creation, expansion, and exit readiness. I partner with PE Operating Partners to strengthen portfolio companies during moments of complexity, rapid change, or underperformance.

FRACTIONAL OPERATING PARTNER FOR PE & PORTFOLIO COMPANIES

BluePlaid LLC | www.blueplaid.net | info@blueplaid.net | (303) 646-7478

Creating Value in Portfolio Companies

Operational Stabilization

Turnarounds & operational resets · Margin repair & delivery stabilization · Workflow redesign and modernization

Execution Discipline

Cross-functional operating cadence · Systems, processes, and workflow clarity · Accountability structures

Diligence & Value Creation

Pre-diligence operational audits · Post-deal integration · Value-creation roadmap design

Private Equity & Portfolio Operations

Expansion & Scale

International expansion & entity readiness · Market entry playbooks · Compliance, payroll, tax, invoicing alignment

Leadership & Culture Repair

Executive alignment · Leadership development · Founder enablement

Why PE Firms Engage Me

- **Founder-friendly.** I work closely with founders and CEOs to reduce chaos, rebuild clarity, and restore confidence.
- **Global track record.** I've launched 20 global entities, 4 shared service centers, driving strategy across 5 continents.
- **Fast diagnosis.** I identify operational gaps, leadership issues, and value-creation levers quickly.
- **Immediate execution.** I step in and begin stabilizing and rebuilding the operating machine from day one.
- **Multi-discipline capability.** COO, Transformation, Expansion, Delivery, Global Ops — I flex across lanes as needed.
