CRR EMPLOYMENT GOALS

Remove all possible barriers to employment stability. Housing, transportation, ID restoration, upskilling.

Give everyone who is interested in work an opportunity to work.
Employment Services at CRR

- We start with what the clients have and build on that. We go at each client's pace.

- We restart as often as we can ... expect at least six months to stability and many restarts. Our goal is to reduce the impact of restarts and new barriers. Employment like life is developmental.

- Work to have all necessary barriers removed.
