Firstly, we would like to extend our deepest appreciation for everyone's flexibility and understanding throughout this competition process. While we understand that some aspects of this process are beyond our control, we sincerely hope that your experience has been smooth and straightforward thus far.

Based on the recent adjustment concerning the YHDP projects Rental Assistance Budget issue, include the removal of YHDP projects from the competitive bracket this year in Tier 1, here are the revised numbers for your reference:

- **Annual Renewal Demand (ARD):** $49,710,509
- **Tier 1:** $41,797,699 (This represents 93% of ARD minus YHDP renewals)
- **CoC Bonus:** $3,479,736 (Equivalent to 7% of Final Pro Rata Need - FPRN)
- **DV Bonus:** $4,884,473 (Equivalent to 10% Preliminary Pro Rate Need - PPRN)

At the moment, we are not expecting further alterations to these amounts. However, should we receive any updates from HUD, we will promptly inform the CoC to ensure transparency and coordination.

As we are nearing the conclusion of this process, we would like to remind everyone to submit any issues regarding the CoC Renewal Scorecards to us by Thursday at 11:59pm. Please note that the final scorecards will be disseminated on Friday, September 8th. Your timely response to this is essential to maintaining the momentum of the competition process.
