At the end of the 8 weeks, foster youth are able to apply for a full or part time position with the company. If they choose not to stay with us, we will utilize our network to place them in a paid internship or job that aligns with their true passions.

Our main priority will continue to be the happiness of the foster youth and pushing them to be the best version of themselves.

The only requirements we have are:

1. Ages 18 and above
2. Be Punctual
3. Be ready to work
4. Be kind!

The goal of this internship program is to teach foster kids who are aging out of the system soft skills such as effective communication, professionalism and accountability. The aim is to work on these skills so that by the end of the internship, foster youth are able to succeed in any work environment.

We are in the business of kindness so we serve kindness first, coffee second.

We cannot wait to meet you all.
