### **SAFETY AND HYGIENE REQUIREMENTS**

Section 11 of EO 70 provides that businesses that perform in-person work must, at a minimum:

- b. Restrict the number of workers present on premises to no more than is strictly necessary to perform the in-person work permitted under this order.
- c. Promote remote work to the fullest extent possible.
- d. Keep workers and patrons who are on premises at least six feet from one another to the maximum extent possible.
- e. Increase standards of facility cleaning and disinfection to limit worker and patron exposure to COVID-19, as well as adopting protocols to clean and disinfect in the event of a positive COVID-19 case in the workplace.
- f. Adopt policies to prevent workers from entering the premises if they display respiratory symptoms or have had contact with a person with a confirmed diagnosis of COVID-19.
- g. Adopt any other social distancing practices and mitigation measures recommended by the CDC.

Section 15 of EO 70 provides for the following rules for face coverings:

- a. Any individual able to medically tolerate a face covering must wear a covering over his or her nose and mouth—such as a homemade mask, scarf, bandana, or handkerchief—when in any enclosed public space.
- b. All businesses and operations whose workers perform in-person work must, at a minimum, provide non-medical grade face coverings to their workers.
- c. Supplies of N95 masks and surgical masks should generally be reserved, for now, for health care professionals, first responders (e.g., police officers, fire fighters, paramedics), and other critical workers who interact with the public.

- d. The protections against discrimination in the Elliott-Larsen Civil Rights Act, 1976 PA 453, as amended, MCL 37.2101 et seq., and any other protections against discrimination in Michigan law, apply in full force to individuals who wear a face covering under this order.
