COMPLIANCE WITH EXECUTIVE ORDER 2020-70

Section 11 of EO 70 provides that businesses that perform in-person work must, at a minimum:

- a. Develop a COVID-19 preparedness and response plan, consistent with recommendations in Guidance on Preparing Workplaces for COVID-19, developed by the Occupational Health and Safety Administration and available [here](#). Such plan must be available at company headquarters or the worksite.

- f. Adopt policies to prevent workers from entering the premises if they display respiratory symptoms or have had contact with a person with a confirmed diagnosis of COVID-19.
- g. Adopt any other social distancing practices and mitigation measures recommended by the CDC.

Section 15 of EO 70 provides for the following rules for face coverings:

- b. All businesses and operations whose workers perform in-person work must, at a minimum, provide non-medical grade face coverings to their workers.
- c. Supplies of N95 masks and surgical masks should generally be reserved, for now, for health care professionals, first responders (e.g., police officers, fire fighters, paramedics), and other critical workers who interact with the public.
- d. The protections against discrimination in the Elliott-Larsen Civil Rights Act, 1976 PA 453, as amended, MCL 37.2101 et seq., and any other protections against discrimination in Michigan law, apply in full force to individuals who wear a face covering under this order.

OTHER REQUIREMENTS
