

Built in durability for your cargo trailer

DryMax® cargo panels are particularly suited for your cargo trailer

Benefits of DryMax Cargo Panels:

- Floor panels are sanded two sides and wall panels are sanded one side for clean, uniform finish
- Engineered to stay flat
- Features enhanced durability, fastener-holding ability, stiffness and strength compared to standard OSB products
- One-year limited warranty*
- Features moisture resistance throughout the panel

Available Products:

DryMax® 23/32 Cargo Flooring

DryMax® 3/8 Cargo Wall Panel
