

# Oklahoma Mobility Management Program

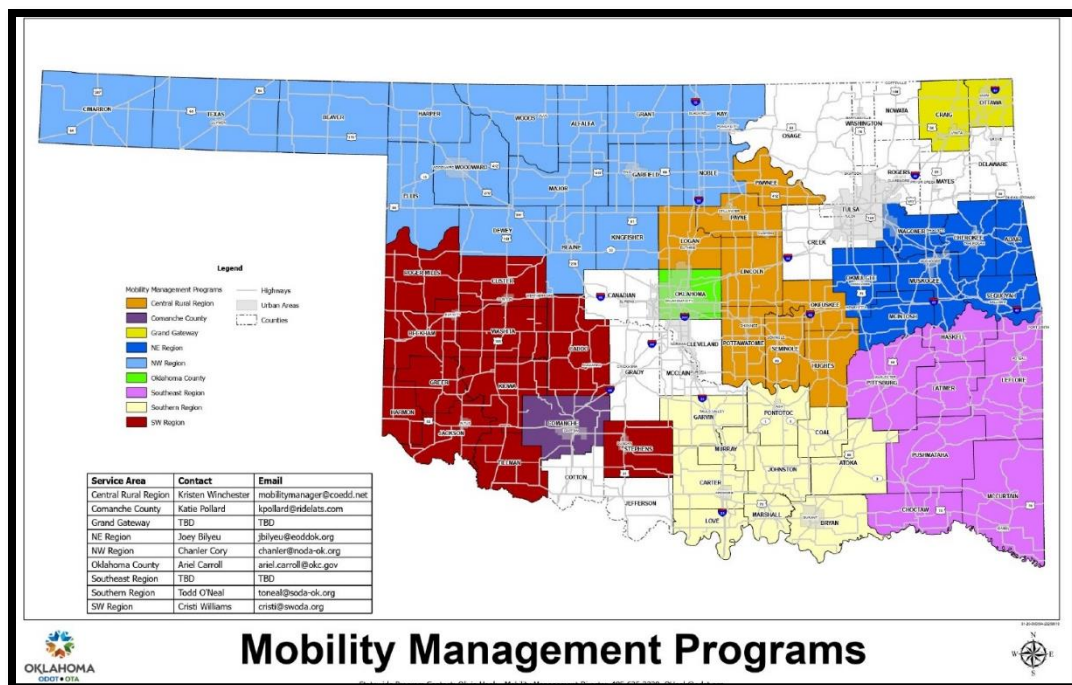

Mobility management is a transportation program that focuses on meeting community needs through the coordinated use of a variety of transportation providers. It aims to enhance transportation for veterans, older adults, people with disabilities, individuals with lower incomes, and so many others improving access to healthy living resources through various transportation coordination

## How to benefit from the mobility management program in your area:

**INDIVIDUALS-** Contact the mobility manager or navigator to help you find solutions to mobility challenges and leverage existing services. Participate in transportation chat meetings and surveys to share feedback with various providers.

**AGENCIES/ORGANIZATIONS-** Share agency mobility unmet needs, participate in transportation meetings, invite the mobility manager or navigator to learn more about your agency, share information about the mobility management program. Partner to develop solutions on transportation issues in your area.

**Mobility management networks are designed to improve the overall mobility for individuals, regardless of the rider characteristics, mode, or geography.**
