

# Oklahoma Mobility Week

## November 2-8, 2025

5

### Reasons To Participate:

1. Gain understanding of the challenges non-drivers face.
2. Identify barriers & gaps in transportation systems.
3. Challenge misconceptions regarding transportation needs.
4. Make well-informed infrastructure funding & transportation policy decisions that support the needs of your community.
5. Address transportation inequity & create safe access for all!

4

### Facts:

1. Nearly 3.6 million Americans do not obtain medical care each year because of lack of transportation.
2. Nearly 2 million people with disabilities never leave their home; 560,000 are related to transportation challenges.
3. 5.4% of Oklahoma residents are zero-car households.
4. One in five Americans who live in rural areas are increasingly cut off from economic and social opportunities.

3

### Ways To Be Involved:

1. Share Mobility Week with your community!!
2. Call your local Mobility Manager to learn about our program and coordinate a ride.
3. Participate in follow up discussions.

2

### Heads Are Better Than One!

Often, community problems or issues are too large and complex for any one agency or organization to tackle. In these circumstances, working together can be an effective strategy for changing programs and policies that are needed to achieve the goal!

1

### Mission:

Our goal is to work locally with communities and transportation providers. This will serve to connect individuals with essential services improving access to healthy living resources, healthcare, and employment.
