RE: Announcement of the Establishment of the Structure of the Southern Cameroons People's Secretariat

Taking cognisance of the October 2023 Southern Cameroons People's Conference resolution on the establishment of a collaborative leadership structure to pilot the people's liberation structure;

Taking cognisance of extensive consultations, deliberations and agreements arrived at by all movements, advocacy groups, community representatives that make up the collaborative architecture;

Taking cognisance that the Structure of the Secretariat has been established to serve as a central hub for coordinating and advancing the interests of the Southern Cameroons People;

We the people of the Southern Cameroons/Ambazonia this day announce the establishment of the Southern Cameroons People's Secretariat.

The Secretariat and all related organs have adopted a rotational chairmanship arrangement to allow for collective ownership, responsible stewardship and accountability.

The Secretariat will be made up of the Leadership Council, the Council of Elders and the Core Secretariat consisting of 9 working groups/committees into which our best talents will serve: Humanitarian and Community Relief, Finance and Resource Mobilisation, Education, International Advocacy, Human Rights and Judiciary, Communication and Civic Education, Internal Collaboration and Outreach, Inclusive Negotiations, Women's Affairs as well as three Spokespersons and Subject Matter Experts recruited and deployed for specific mandates.

To all our people, thank you for all your sacrifices and inputs that made this possible. It is now implementation time; it's time to work. Get ready to be called up or volunteer to serve; to serve with pride and with distinction.

In the coming weeks, we will be organising community engagement sessions to introduce the Secretariat Structure, outline the various roles and functions, and gather input from all community members as implementation continues. Your participation and feedback are invaluable as we work together to build a stronger and more united Southern Cameroons community.
