## What We Believe

We subscribe to the Lutheran Confessions contained in the Book of Concord originally published in 1580, *because* they are a faithful and accurate summary of biblical doctrine.

Contained here are statements of doctrine that have been adopted by the Evangelical Lutheran Synod, the Norwegian Synod of the American Evangelical Lutheran Church (known as the "little" Norwegian Synod), or the Norwegian Evangelical Lutheran Church in America (known as the "old" Norwegian Synod). The present-day ELS considers itself the heir of all these adopted statements and confessions, and continues to teach and confess them as true and biblical.
