Old Business:

Easter Celebration- Event was moved to 04.05.2025 due to conflict with another event with PD.

We put out a poll on social media asking citizens if they A. would be interested in attending the event and B. would help volunteer. We got little feedback, with only about 15 people saying they would attend and zero volunteers.

Johanna made a motion to cancel the event due to lack of interest and volunteers.
Meghan seconded.

It was discussed that we try and reach out to all the schools and churches in Coopertown and see if they have any upcoming events and then post the information on our Town's website and social media.

Mayor also suggested that we reach out to all Coopertown's businesses and promote/spotlight them on our Town's website and social media as well. This can be a monthly thing, kind of like an event calendar, where citizens can go and look to see what's going on in their Town.

The committee also discusses maybe doing a bingo night; need to find out rules and laws about that.

The Cleanup event was postpone, talked about another date possible, but again would need volunteers and don't know if there would be enough interest.

Committee talked about other ways to get citizens involved, maybe doing something like a contest where citizens voted on the best yard in town, or best flowers, or best barrel theme decorations. Maybe breaking up the Town in sections or wards to vote.

The removal Riders should be coming through Coopertown the first week of June, waiting on confirmation. We will do a breakfast for them like in the past.

Additional comments –

Mayor talked about the petition launch for getting Coopertown its own zip code.

Adjournment:

Johanna made Motion to adjourn,
