

The Word, though invisible, dwells on the earth in the souls of His disciples, leaving the mark of His presence in them from generation to generation. He imparts His Spirit to them so that the work of His Church is fresh and new in every age. It can never grow old, as it renews its work in every human being who in some way becomes Christ. This explains why the teaching is always *good news*, or gospel, the name which it has borne from the beginning.

ST PETER'S PARISH NEWSLETTER

21st JUNE 2026

12th Sunday in Ordinary Time (YEAR A)

What I tell you in the dark, say in the light, and what you hear whispered, proclaim on the housetops. And do not fear those who kill the body but cannot kill the soul. Rather fear him who can destroy both soul and body in hell. (Matthew 10:27-28)

Grant, O Lord, that we may always revere and love your holy name, for you never deprive of your guidance those you set firm on the foundation of your love. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God, for ever and ever. Amen.

Day of Life 2026 21st June

The 2026 message, shared by the three Bishops' Conferences of England and Wales, Ireland and Scotland offers a reflection on this year's theme - *The Wonder of the Child in the Womb*.
 "...Today we remember with gratitude the loving care and direction our parents gave to us, whether they are still with us or have gone to the Lord... The Church wants to be especially close to parents who have suffered the loss of an infant. We try to offer spiritual support through the pastoral care and blessing of our priests, and through the comfort of our liturgy. You only have to reach out to your priest or deacon if you would like to know more about this... The Word of God reveals the sacred humanity of the unborn child and perhaps helps us understand why we feel such profound grief at the loss of a baby. Parents instinctively grasp how precious and unique the child is whom they have lost and whom they may already have called by name. They know how no other child can ever replace them... because of what both science and faith reveal to us that the Church and many people of good will have always held that the unborn child merits the full protection of the law, and why we have always rejected elective abortion. This Day for Life 2026, we reflect on the wonder of human life from the moment of fertilisation. We remember how the Lord Jesus Christ Himself sanctified and experienced the beginning of life in the world as an unborn child, hidden in the womb of Mary... Our Lady treasured Our Lord in her heart and womb until His birth. We, in our turn, commit ourselves to work and pray for our society to cherish the value of every little one, especially those at the earliest stage of human life, and to help our parish communities support all those in our midst who have suffered the loss of a child."

There is a Second Collection this weekend for the Day for Life Fund, which distributes grants to organisations that promote respect for life from conception until natural death.

God's Love for You

**The Fourth Revelation
to St Margaret Mary Alacoque:
Jesus Establishes the Solemnity of the
Sacred Heart, June 1675**

One day, being before the Blessed
Sacrament during the octave of
Corpus Christi, I received from my God
extraordinary proofs of His love. I felt
urged with the desire to make some return
of love for Him. Jesus: "You cannot make
Me a greater return of love than by doing
what I have asked of you so many times.
(Opening His Divine Heart to the saint)
Behold this Heart Which has so loved
everyone that It spared nothing, even to
exhausting and consuming Itself, to prove
to them Its love. And in return, I receive
from the greater part of them nothing but
ingratitude, by their irreverence,
sacrileges, coldness and contempt, which
they show Me in this Sacrament of
Love. But what is still more painful to Me is
that even hearts consecrated to Me are
treating Me this way. Therefore I ask of you
that the Friday after the octave of Corpus
Christi be dedicated as special Feast to
honour My Heart, by receiving Communion
on that day and making reparation to It by
a solemn act, so to atone for the indignities
It has received during the time It has been
exposed on the Altars. I promise you that
My Heart will open wide and pour forth
lavishly the influence of Its Divine love to
those who will honour It and cause It to be
honoured."

(Excerpts from St Margaret Mary Alacoque's autobiography)
