ALL SAINTS DAY (Year C)

The Church shows forth in her Saints a supremely high wisdom, wisdom which the world does not understand, and even takes to be foolishness, For she flees from material goods, she lives a life of abstinence, of mortification, of voluntary poverty; and she takes as her motto, *Beati pauperes!* [Blessed are the poor]. These are the ones whom Christ came to evangelise; the ones whom He, who had nowhere to lay His head, came to share His treasures

EIGHT BEAUTITUDES

Ever Loving God, by whose gift we venerate in one celebration the merits of all the saints, bestow on us we pray, through the prayers of so many intercessors, an abundance of reconciliation with You for which we earnestly long. We ask this through Christ our Lord.

ALL SAINTS DAY

St John tells us beautifully that "we should be called Children of God, and so we are. The reason why the world does not know us is that it did not know him. When He appears we shall be like him because we shall see him as he is."

We have our very great calling, each one of us to be a Child of God. Created by God, Cared for by God, Loved each new day by our Father God.

There is a second collection this weekend for the sick & retired clergy. Thank you.

Also known as the RCIA, this is a course that will be started on **Thursday 30th October**, in the parish for any who wish to consider becoming a Catholic. Some brochures are available. As an approach to this faith journey we really recommend watching the excellent free YouTube series on the life of Jesus called **The Chosen**.

On prayer and devotion watch the free sessions of **Sycamore.fm** as an introduction to a life of faith. These are quality resources for any parishioner but especially those seeking to deepen their faith.

Faith assures us that what is lost by our dear ones is little, a mere nothing in comparison to what they have kept. Our loved ones are very much alive, having only shed the old, tired, broken garment no longer worthy to be worn. The Affections and memories of the person, who can no longer be seen by our mortal eyes, have not perished; on the contrary, s/he is still thinking about us, still loves us with a purer love, and is grateful for all the benefits received while in this world; and being nearer to the throne of grace and mercy, s/he has more power to intercede in our favour.

The Church knows that her proclamation of the Gospel is credible only when it is translated into gestures of closeness and welcome. And she knows that in every rejected migrant, it is Christ himself who knocks at the door of the community.

POPE LEO XIV Dilexi Te

The Rosminian Community here at St Peter's and in the wider country met on Wednesday and Thursday last for a workshop on

Safeguarding. We had

also the presentation of our new safeguarding booklets.

The Thursday we welcomed Abbot Paul Gunter of Douai Abbey who gave talks. His theme was Parish ministry today in action and in preaching. We enjoyed the gathering and the presentations.
