The Body and Blood of Our Lord Jesus Christ (YEAR A)

The heart of Jesus alone is calm and peaceful; and whoever lives in that heart shares that peace. Persecution and external disturbance do not take it away, since they do not at all trouble the heart of Jesus, in whom the faithful disciple lives.

~~~~~

When we know ourselves, we shall show great kindness to others, making every allowance for them.

'I am the living bread that came down from heaven. If anyone eats of this bread, he will live for ever. And the bread that I will give for the life of the world is my flesh.' (Jn 6:51)

*The Solemnity  
of the Most Holy  
Body and Blood  
of Christ  
(Corpus Christi)*

O God, who in this wonderful Sacrament have left us a memorial of your Passion, grant us, we pray, so to revere the sacred mysteries of your Body and Blood that we may always experience in ourselves the fruits of your redemption. Who live and reign with God the Father in the unity of the Holy Spirit, God, for ever and ever. Amen.

Human dignity demands that we show respect to one another, reverencing the presence of God in each person as a living tabernacle of the Lord. However, we do not bow down before God's presence in others, nor do we kneel before them in adoration and worship. In this world, the only One Whom we worship and adore, in hidden yet physical form, is our Lord Who is fully present in the Eucharist. The Eucharist is not only a fraternal meal we share with one another, it's a communion with God Himself that unites us with Him. It is that union with God that also unites us with every other person who is united to God through the sharing of the Most Holy Eucharist. As we celebrate the Solemnity of Corpus Christi, spend time pondering the profound mystery of the true presence of Christ in the Eucharist. As we kneel before Him, we truly kneel before His throne in Heaven, despite the reality being veiled from our eyes. As we consume the Blessed Sacrament, we truly consume Christ Himself — Body and Blood, Soul and Divinity — and receive Him into our souls. Though we might not feel Him with our bodily senses, we must allow our spiritual sense of faith to grow so that our love for Him in this Most Precious Gift exponentially increases.

### God's Love for You

#### The Second Revelation to St Margaret Mary Alacoque: 1674

In a letter to Fr Croiset, the saint wrote: "The Divine Heart was presented to me in a throne of flames, more resplendent than a sun, transparent as crystal, with this adorable wound. And it was surrounded with a crown of thorns, signifying the punctures made in it by our sins, and a cross above signifying that from the first instant of His Incarnation... And He (Jesus) made me see that He intensely desired to be known, loved, and honoured by everyone, and to snatch them from the path of perdition onto which Satan is driving them in throngs. It was this that made Him decide to manifest His Heart to everyone with all the treasures of love, mercy, grace, sanctification, and salvation It contains... This Heart of God must be honoured under the form of His heart of flesh, whose image He wanted exposed, and also worn on me and on my heart. He promised to pour out into the hearts of all those who honour the image of His Heart all the gifts it contains in fullness, and for all those who would wear this image on their persons He promised to imprint His love on their hearts and to destroy all unruly inclinations. Everywhere this holy image was exposed to be honoured. He would pour forth His graces and blessings. This blessing was, as it were, a final effort of His love. He wanted to bestow upon everyone during these final centuries such loving redemption in order to snatch them from the control of Satan, whom He intended to destroy. He willed to place us under the sweet freedom of His rule of love..."

### Parish Fundraising

The Parish is facing two repairs. The flat roof over the long corridor has water penetration to the retaining wall capping stones. The tall chimney of the old boiler is blamed for some water penetration and must be removed. The second repair follows a report of water penetration of the tower. The weekly collection is not covering our outgoing costs, as we all know in paying our utility bills. We hope to have various fundraising projects to assist this essential work.

If you have any ideas for fundraising please share on the list at the back of Church. Any contributions will be gratefully welcome
