Pastor Vincent Saunders has indicated that he has accepted a call to serve at the Hayward Seventh-day Adventist Church. His letter to the church members is provided in the church bulletin today. His last Sabbath to be with us will be on November 7.

Thousands have died for want of pure water and pure air who might have lived. And thousands of invalids, who are a burden to themselves and others, think that their lives depend upon taking medicines from the doctors. They are continually guarding themselves against the air and avoiding the use of water. These blessings they need in order to become well. If they would become enlightened and let medicine alone, and accustom themselves to outdoor exercise and to air in their houses, summer and winter, and use soft water for drinking and bathing purposes, they would be comparatively well and happy instead of dragging out a miserable existence.
