Calistoga Seventh-day Adventist Church

As we look around us it is obvious that a great controversy is taking place between good and evil. This is nothing new. Down through history this controversy has been taking place in the religious and secular world. It is easy to become jaded to what is happening. This Sabbath we will begin a two part series in taking another look at the Great Controversy, and what it suggests for us today.

Satan's enmity against Christ has been manifested against His followers. The same hatred of the principles of God's law, the same policy of deception, by which error is made to appear as truth, by which human laws are substituted for the law of God, and men are led to worship the creature rather than the Creator, may be traced in all the history of the past. Satan's efforts to misrepresent the character of God, to cause men to cherish a false conception of the Creator, and thus to regard Him with fear and hate rather than with love; his endeavors to set aside the divine law, leading the people to think themselves free from its requirements; and his persecution of those who dare to resist his deceptions, have been steadfastly pursued in all ages.

In the great final conflict, Satan will employ the same policy, manifest the same spirit, and work for the same end as in all preceding ages.
