“Whatever path God chooses for us, whatever way He ordains for our feet, that is the only path of safety. We are daily to cherish a spirit of childlike submission, and pray that our eyes may be anointed with the heavenly eyesalve in order that we may discern the indications of the divine will, lest we become confused in our ideas, because our will seems to be all-controlling. With the eye of faith, with childlike submission as obedient children, we must look to God, to follow His guidance, and difficulties will clear away. The promise is, “I will instruct thee and teach thee ...: I will guide thee with mine eye”.
