“Moses sinned. He became tired of hearing the complaints of the people against him. Instead of speaking to the rock as God commanded, Moses hit the rock twice with the rod after saying to the people, “Must we get water out of this rock for you?” Moses did not speak wisely. He should have said, “Now God will show you another sign of His power. He will bring you water out of this rock.” Moses failed to give God the glory for causing water to flow again from the rock. Moses did not honor God before the people. Moses did not do what God told him to do, so God did not permit Moses to lead Israel into Canaan”
