A Friend of the Middletown Church has had some setbacks for the last few months. There have been various volunteers that have helped over these months assisting them through those setbacks. The Middletown Church is focusing on the next step, which is transportation. They have none and are dependent on local church members and Lake County Transit. They do not have a lot of resources and need a vehicle they can use. If you can or know of someone that can help on contributing or donating to this efforts, please contact Amanda at 369-215-7463
