Our promise to you

Since our founding, the guiding principle of Pecan Grove Funeral Home has been the commitment to treating each family who comes to us as our own. With sincerity, pride, and dedication, we are committed to this time-honored tradition. We have proudly served Robinson, Waco, and the surrounding communities for nearly 25 years, and look forward to continuing that service with the lowest prices.

Our family opened our doors in 1998. In 2010, that family grew as we became part of Higginbotham Funeral Homes of Texas. Our funeral directors are determined to ensure that our hometown families are met with care and compassion by each of our staff while keeping prices competitive to fit your individual needs. Because of this, our reputation for providing the highest quality of service has grown, and today we are privileged to serve hundreds of area families each year.

In recent years, we've gathered together a staff of highly-qualified and deeply caring individuals to assist us in continuing the funeral home's mission of providing excellence in funeral services to families in their time of need.

Funeral Selections and Payment Policy

Funeral service costs are itemized. You may select or reject various service items, all of which will be explained to you prior to making any selections. We want you to select the type of service and burial/cremation you prefer at a cost you can afford. Your itemized Funeral Purchase Agreement will be reviewed with you, and one or more responsible parties will be asked to sign the acceptance and agreement to pay for services. You will be provided with a copy of the completed agreement at that time. Payment for services, merchandise, and cash advance items are due upon presentation of an itemized statement of goods and service. For your convenience, we accept the following methods of payment:

- Cash or Check (cashier's)
- Most major credit cards
- Financing available for qualified applicants with First Finance
- Pre-Paid Contract from our funeral home or most contracts from another funeral home
- Life Insurance: must be verifiable, assignable, and past the contestability period of 24 months.
 - We cannot accept insurance for cases where the Justice of the Peace or Medical Examiner has filed a "pending" delayed death certificate.
 - Please Note: If you pay with credit card, a fee of 3% is assessed.

Cash Advance Items

In arranging a funeral there may be payments to other parties such as cemeteries, newspapers, clergy, musicians, etc. which will need to be made. Pecan Grove will be pleased to make these payments, which are referred to as cash advance items, on your behalf. Some of these, such as clergy honoraria, are gifts and subject to your discretion. These amounts will be itemized on your Funeral Purchase Agreement.

As a general policy, Pecan Grove shall permit only the deceased's immediate family to view an unembalmed body. Outer Burial Container Price List

These prices are effective as of September 1, 2025, but are subject to change without notice.

A casket is commonly considered the final resting bed of a loved one. However, caskets alone are not designed to support the weight of the surrounding soil. Burial vaults are outer enclosures designed to support the weight of the soil and cemetery equipment. A burial vault should offer you peace of mind. State or local law does not require that you buy a container to surround the casket in the grave; however, some local cemeteries require that you have such a container so the grave will not sink in. Either a concrete or steel grave liner or a burial vault will also satisfy these requirements.

Steel or Concrete Non-sealing Grave Liner – The liner is placed into the grave. After the service, the casket is lowered into the liner, and then the one-piece lid is positioned on top of the liner. This helps support the weight of the surrounding soil and protects the casket. This is the minimum required at both Waco Memorial Park and Chapel Hill Cemetery. - **\$1,195**

Concrete Wilbert Monticello – \$2395 Approximate weight 2,500 lbs. (Shown below).

This sealing vault has a double wall construction: Steel reinforced concrete with a seamless, ribbed Durapreme lining. The exterior is hand-coated with a personalized nameplate and emblem (Rose, Praying Hands, Cross, Wreath, Crucifix, Palm Leaf, or Military Branch of Service) placed on the lid. It comes with a

70-year warranty. The price includes

the Vault Company, and vault personnel handling the actual sealing and lowering of the vault after the service ends. (Silver, Black, Light Pink, Gold, White, Purple, Dark Blue, Light Blue, Copper (Rosegold), Bronze (Dark Brown))

Wise Poly Propylene Vault

Steel Vaults

12ga Clark Steel Econovault **\$1,795**

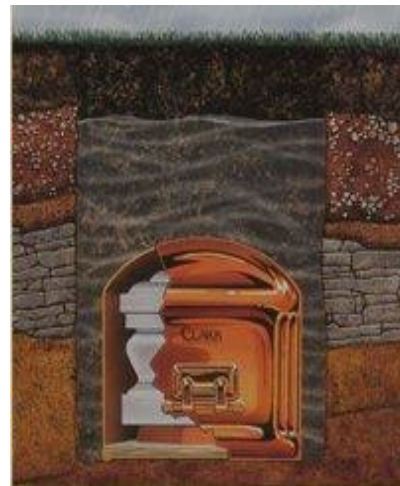

12ga Clark Steel Standard Vault **\$2,095**
(Coppertone, Silvertone, or White)

12ga Clark Galvanized Steel Vault **\$2,495**

12ga Wise Urn
Vault - **\$400**

Vaults help protect the casket from water and the weight of the grave dirt (about 1 ton) or cemetery work tractors from damaging the casket.
