(Revised by TA 6/24/2026)

Summer 2026

CHOIR DIRECTOR AND ORGANIST POSITION

All Souls Episcopal Church is seeking an experienced church musician to lead the parish's semi-professional choir and play the organ for services. The choir rehearses on Sunday mornings at 9:00am and sings for the 11:00am service. There are no regular weeknight rehearsals. The Psalms are sung to Anglican chant by the choir.

The ideal candidate will have a warm and engaging presence. They will create and maintain a supportive rehearsal environment in which volunteer singers are challenged to grow vocally and artistically, so that they feel well-prepared for services. Hymns will be played confidently with energy that uplifts the congregational worship experience. Familiarity with Episcopal liturgy is helpful but not required. Applicants may submit a cover letter, resume, and at least two references to the Rev. Sara Palmer: rector@allsoulsdc.org

The organ is Walker Technical Organ, with a digitally produced Aeolian-Skinner specification: 3 manuals, 6 divisions, multi-level memory, and midi capability.

This is a part time position. Extra services during Advent, Christmas, and Holy Week.

Salary of \$30,000.

Position is available in Mid-August 2026.
