
Decorative Hardware

FOR RESIDENTIAL GARAGE DOORS

Add a subtle touch of sophistication
to your garage door.

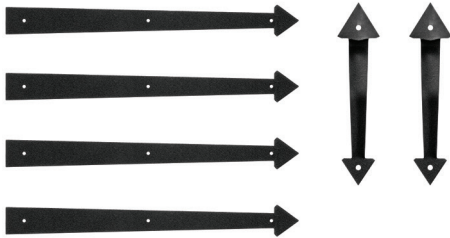

The Genuine. The Original.

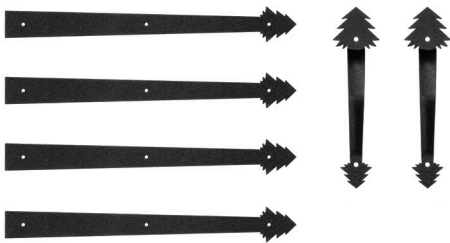

Decorative Hardware Collections

Individualize your garage door with our distinctive decorative exterior handles and hinge which are available as optional accessories on our door collections. Each collection consists of four 16"x 2" hinge straps and two 9" pull handles. Every piece is made from black coated steel with a hand-hammered look. Additional accent pieces are available to match or complement each collection.

Decorative Hardware

Door Accents

Knockers, brackets and clavos give a respectful nod to the decorative nails and studs craftsmen have used to accent their entry doors for hundreds of years.

The Genuine. The Original.

Since 1921, Overhead Door Corporation has not only raised the standards of excellence for the industry – we've created them. We created the first sectional garage door in 1921 and the first electric garage door opener in 1926.

Today, our network of over 400 Overhead Door™ Distributors are still leading the way with innovative solutions and unmatched installation, service and support. So look for the Red Ribbon. It's your guarantee that you're getting the genuine, the original Overhead Door™ products and services.
