

July 1, 2025

Dear Members,

In between the drops and deluges of rain, I hope you've found some time to enjoy the early days of summer. While challenging and at times frustrating, the rain has benefited our golf course in many ways. First, the extra sod work completed during the four-day course closure in April has thrived in these growing conditions, as have our greens, setting us up for a wonderful golf season. Second, the trees that were transplanted earlier this year are all doing well. Finally, we've used the irrigation system only minimally this year, saving the Club those operating costs and allowing Dan and crew extra time to complete needed system maintenance.

We have a full slate of golf, social and pool events planned for the month of July. Once again, we'll celebrate our nation's Independence Day with our Fireworks Extravaganza on July 3<sup>rd</sup>, our July 4<sup>th</sup> Pool Party and lots of golf, pickleball and tennis in the mix. Come out to enjoy all that our Club has to offer and remember to make reservations through Whoosh.

At the June Board meeting, the Directors began work on the Vision 2030 5-Year Strategic Plan. During the course of those discussions, an adjustment was made to accelerate the timing of two of those initiatives. Those changes are being made to the document, and we now expect to get it to the membership in the first half of July. I apologize for the delay but believe it was the right thing to do and it was an enhancement to Vision 2030.

Your Board greatly appreciates your continued support of the Oaks. As always, we encourage constructive feedback that can help grow and improve our club. Please feel free to reach out to any member of our Board of Directors, management, or committee members. Thank you for being a part of this special community.

See you in the fairways –

Curtis Dinan

President
