A Note from the Manager...

Dear Members,

July is here and that means our annual July 3rd Fireworks Extravaganza is right around the corner. This is one of the best events we host and is one that you will not want to miss as it will be better than ever with additional activities for all ages. Some new activities will include a rock climbing wall, ax throwing, and Euro bungee which are in addition to all the other fun things to do. Please make sure you reach out to Ava for your reservations and additional parking passes.

The golf course continues to be in the best shape in the club's history. The course proved to be a challenge for our recent MGA Oaks Classic that drew tremendous praise from all the participants. Once again, I want to thank Dan and his team for their hard work and dedication everyday to maintain and improve the golf course.

The 2024 Classic is in the books and based on the feedback that I have received; it was the best ever. We had a visit from our local beer donkey (named "Hub") during our Wednesday kickoff Mexican Street Food theme night at the Acorn. We had a number of member owned beautiful classic cars on display at our Friday night Food and Wine Festival theme night. A special thank you to our management team and all staff that worked tirelessly over the 4 days to highlight our great club. Congratulations to Kerri Selsor for winning the classic car show viewer's choice award for her 1972 Ford Bronco and a \$500 food and beverage certificate to the club!

Oaks dining is busier than ever and to allow our staff to provide the highest level of service possible, we kindly ask that you make reservations when you are planning to dine at the club. You may book reservations by emailing Ava Hawkins at ava@oakscountryclub.com, calling the club, or using our Oaks Club app.

There are many wonderful things planned for July including but not limited to OWGA play days, Senior Men's Golf, Cocktails & Golf Gals, Couples Golf, July 3rd Fireworks Extravaganza, July 4th Flag Tournament, July 4th Pool Party, MGA Horse Race, Trivia Night, Pickleball Events, Tennis Events, and so much more.

Thank you to all members that participated in our McMahon Group member survey, I know it was a long survey but the information that you provided will be invaluable to us to ensure our club's Strategic Plan is aligned with what is important to our members. I am pleased to say that we exceeded our target goal in member participation, and we look forward to providing you with the final report once we have received it. We are expecting the final report in July.

Our membership remains strong with our golf waiting list standing at over thirty-five prospective members. Thank you to all the members that continue to refer your friends and family to the club that allows us to continue to make the necessary operational and capital improvements to the club.

Once again, thank you for your continued support of our great club and I look forward to seeing you at Oaks soon!

Sincerely,

Justin Awtrey, General Manager/COO

Court Availability

The tennis and pickleball courts are being used more often with the variety of new programming being offered at Oaks. These events as well as private lessons have priority over casual play. So that you are not disappointed when you arrive and a court is not available, please check the Club Locker website for court availability. Simply visit

<https://oakscppickleball.clublocker.com/login> and create an account to be able to see court availability.

At this time, the club tennis/pickleball pro, Liz Bacon, is the only one able to make court reservations for her clinics and privates only. If the courts are not reserved on Club Locker, then they are available on a first-come, first-served basis.

JULY INSTRUCTION TIP

ULTIMATE IRON CONTACT DRILL

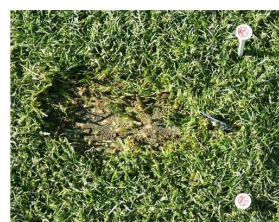

SET UP

Place three tees down in the line like the pictures shown below. The outside tees should be just outside the heel and toe of the club.

PERFORMING THE DRILL

Start slowly with small practice swings being able to clip the middle tee and take a divot in front of the ball. Once you have gained an awareness of how to strike the tee and the ground correctly, start making full practice swings. If you are successful, transition to full shots with the ball on the tee each time. Goal: to miss the outside tees and make divot on the target side of the ball.

Guest Restrictions

Please be mindful of the following restrictions regarding multiple guest groups.

Tuesday-Thursday:

Maximum of four guests in a group. May be booked at any time.

Friday:

Maximum of three guests in a group. May be booked at any time.

Saturday & Sunday:

Maximum of three guests in a group. Must be booked after 11:00am.
Multiple guests may not play in a group before 11:00am!
