

June 1, 2025

Dear Members,

I hope everyone had a wonderful and safe Memorial Day Weekend, despite the weather. Please join me in thanking Justin, Derrick, Dan, Chef, and their staff for going above and beyond to provide the membership as great an experience as possible under such challenging conditions.

At the May Board meeting, the Directors unanimously approved the Vision 2030 5-Year Strategic Plan. Vision 2030 represents the collective views and opinions from the membership survey completed last year. There are 9 initiatives that will be prioritized into actionable steps to guide our Club over the next 5 years. Thank you to all that participated in the survey. All members will be receiving a copy of Vision 2030 in June.

As we transition into June, we are excited to welcome you to an even more vibrant season at Oaks Country Club. This month promises a host of exciting events with our ever so popular Oaks Classic member-guest tournaments, along with numerous other fun activities for everyone to enjoy. Come join your fellow members and enjoy all that our Club offers.

Part of what makes our Club unique is the culture and family atmosphere. Each of us are responsible for not only our own conduct, but the conduct of our guests. Conduct unbecoming of a member includes the use of obscene language or suggestions, or any other conduct which is contrary to the best interest and character of the Club, whether directed to a fellow member, a member's guest or a Club employee. Please report any issues you witness to a member of management.

Your Board greatly appreciates your continued support of the Oaks. As always, we encourage constructive feedback that can help grow and improve our club. Please feel free to reach out to any member of our Board of Directors, management, or committee members. Thank you for being a part of this special community.

Finally, with last week's commemoration of Memorial Day, a sincere and heartfelt thanks to all of our veterans and their families for their sacrifice and service to our great country – we are indebted to you.

See you in the fairways –

Curtis Dinan

President
