

Dear Oaks Members,

I hope you have been able to get outside and enjoy this unseasonably, beautiful weather. Hopefully, Mother Nature is not playing a cruel joke at our expense. With the anticipation of Spring, I know we are all excited to see the Club come alive. The Golf committee has finalized the golf calendar, and the Entertainment committee has a great lineup of events starting with the West Coast Wine Dinner on March 4<sup>th</sup> and the Wild Game & Whiskey Night on March 21<sup>st</sup>.

The member Town Hall meeting originally scheduled on March 10<sup>th</sup> has been rescheduled to Friday, March 27<sup>th</sup>. With the change of dates, the meeting will include a member social and Kids Care will be open at The Nest. At the Town Hall meeting, we'll have conceptual drawings of plans for the Vision 2030 projects, including the East and West ends of the clubhouse, as well as the pool and racquet area. These concepts are preliminary and the Board would like to hear your feedback as we decide what's next for our Club.

Our Annual Meeting will be held on Tuesday, April 14<sup>th</sup> at 6:00. In addition to the normal business, we'll also have a presentation highlighting the past year at the Club. As mentioned in my letter last month, Don Burns, Josh Chesney, John Dale, Blake Gray, Ryan Grimm and Grant Malchi have been selected as candidates for the 2026 Board of Directors class. In the coming days, the Club will be sending bios of these gentlemen. Please take the time to get to know each candidate and remember to cast your vote.

At its February meeting, the Board approved several revisions to the Club's bylaws that will be recommended to the membership for approval at our Annual Meeting. A red-lined markup of the changes will be included in your Annual Meeting packet as well as a summary of the changes. I encourage you to reach out to any member of the Board or to Justin Awtrey if you have questions on any of the changes. The Board and a group of past Board members have put in a lot of work to modernize our governance structure, and I think the changes set our Club up for continued success.

Thank you for your ongoing support and engagement at the Club – it is you and our fellow members that create the culture and atmosphere that makes the Oaks truly special.

See you in the fairways -

Curtis Dinan

President
