*A Note from the Manager...*

Dear Members,

May is here and school will be out for the summer very soon. We cannot wait to see all our families and children at the club for what is sure to be a great and memorable summer at the Oaks.

The golf course continues to improve and continues to get better and better. A special thank you to Dan Robinson and his team for their continued hard work on the golf course. The course has never looked better and I for one cannot wait to see how great it will be in the summertime. Our new autonomous mower has arrived and has been busy mowing the Acorn course every day. Once again, please make sure not to disturb our mower when you are playing the Acorn.

Executive Chef Anthony Goodman and his team launched our new Spring menu this past month and I hope everyone is enjoying the new menu items and our traditional member favorites that have remained. The entire culinary team have many great events planned this summer that you will not want to miss. The Daou Wine Dinner held in April was fantastic and the culinary team has a beer dinner planned on May 16th in coordination with local brewery Neff Brewing that is sure to be a memorable experience. Even if you are not well versed in wine or beer, these events are incredibly unique experiences that bring incredible pairing and highlight our incredible culinary team. To allow our staff to provide the highest level of service possible, we kindly ask that you make reservations when you are planning to dine at the club. You may book reservations by emailing Ava Hawkins at [ava@oakscountryclub.com](mailto:ava@oakscountryclub.com), calling the club, or using our Oaks Club App.

There are many great things planned for May: OWGA play days, Senior men's golf, Cocktails & Golf Gals, Couples Golf, MGA Memorial Day weekend tournament, Memorial Day Pool Party, Neff Brewing Beer Dinner, MGA Horse Races, Trivia Night, Pickleball Leagues, Ladies Tennis Mixer, Mother's Day Brunch, and so much more.

Due to poor weather, we re-scheduled the launching of our custom Oaks Makers Mark Blended Bourbon that was created by a few of our club members. This Bourbon is limited in quantity and will be available for purchase (while supplies last) beginning May 10th at our launch party at the new comfort station at #14 tee. Please come out and try this fantastic bourbon and enjoy live music, BBQ hors d'oeuvres, and watch the horse race finish on #13 green while the party is in full swing. This event is free for members and a cash bar will be available.

As you are aware, we have engaged industry leader, the McMahon Group, to assist us in our Strategic Planning and specifically our member survey. We will send out a member survey in May and it is imperative that we receive your feedback on this survey. Thank you in advance for your participation. The Board and committees will use the feedback from this survey to finalize our Strategic Plan to ensure we are planning for the future and are aligned with what is important to all our members.

Our membership remains strong with our golf waiting list standing at over twenty-five prospective members. Thank you to all the members that continue to refer your friends and family to the club.

Once again thank you for your continued support of our great club and I look forward to seeing you soon!

Sincerely,

Justin Awtrey, General Manager/COO

### SKILL POINT CHIPS

Our academy utilizes skill point chips. These chips are earned by winning competitions during class, passing skill tests, lining up on the yardages, and more. These chips are kept throughout the year and turned in at the end of the year party for prizes. This is a great way to spur on competition among the kids and motivate them to be high achievers.
