Dear Oaks Members,

Fall is a great time to be a member at The Oaks! The cooler temperatures, optimum turf conditions, and the hint of turning leaves create a pretty special atmosphere at our Club. The outdoor patios come to life with laughter and live music. Our Luau event at the pool was outstanding, as was the outdoor Oklahoma Wine Dinner under the trees. The team has a full slate of events to help you, and your family enjoy the autumn season to the fullest. The Stampede will kick off the festivities this week with 94 teams competing in our fall member-guest tournament.

In our Vision 2030 membership survey, the need for onsite childcare was voiced by many as an important Club offering. The Board is pleased to announce Kid Care, with the inaugural session on Friday, October 10 from 5-9. We look forward to robust participation and expect that we can continue to grow this offering. Plan your date night, make reservations by Wednesday, and know that your youngsters will be fed and have lots of activities to burn off that extra energy!

I am pleased to share that our Club remains financially strong and operationally sound. We have a very healthy waiting list of over 50 prospective members. This reflects on the culture and community we have and continue to build upon at the Club. I will provide a fuller financial update in my quarterly President's Letter next month.

At the September board meeting, Vision 2030 discussions continued around Initiative 2 – Golf Experience, Initiative 3 – Compelling Member Experience and Initiative 6 – Favorite Place to Dine. Will Dierinzo at Tom Hoch Design met with the Facilities Master Planning Committee to begin developing conceptual designs. The Board is targeting March for a member town hall event to seek your feedback and discuss next steps. Stay tuned for more details as we work through this process.

It is not too early to schedule your holiday dinners and parties. Please contact Ava to make those arrangements. Also, this month we have an opportunity to show our appreciation to our staff. Your contribution to the Staff Christmas Bonus makes a difference in the lives of every staff member.

As always, please feel free to contact any member of the Board, our committees or the Club's management team with questions or comments. Thank you for your ongoing support and engagement at the Club.

See you in the fairways -

Curtis Dinan

President
