

Dear Oaks Members,

July 1, 2024

I hope this message finds you and your families in high spirits as we embark on another summer month at the Oaks Country Club. July is always a special time at our club, filled with activities, events and opportunities for every member to enjoy our special community. Our annual Independence Day celebration on July 3rd promises to be a highlight, with a day full of activities culminating in a spectacular fireworks display. Be sure to join us for a festive day filled with family, fun and entertainment.

The golf course continues to be in superb shape as we enter the height of the golfing season. Derek and his team have a full slate of activities and tournaments planned both social and competitive, so please take full advantage of the upcoming schedule. This past Saturday, I had the pleasure of observing the Oaks "Birdie Basics" for our youngest golf enthusiasts, ages three to six. Watching these young golfers take their first swings, guided by our dedicated pros and instructors, was nothing short of inspiring. The pure joy, determination and boundless energy of these children are a testament to the true magic of golf – get out there and play!

You may have noticed while driving up the drive or out on the course pink ribbons around several trees on property. These trees have been marked as possible candidates for transplantation, as we anticipate the need to replace some of our aging or dying trees. By utilizing our natural resources within the club, we ensure that the character and charm of our surroundings continue to thrive for years to come.

The "Oaks Member Survey" was completed in early June with great participation from the membership. I want to extend my thanks to each and everyone of you who took the time to participate and provide your invaluable feedback. Once the information is shared, we will embark on the next crucial step of integrating your feedback into our long-term planning process.

In closing, I want to reiterate that the Oaks is more than a golf course; it's truly a home away from home. Your dedication and loyalty to the club plays an instrumental role in supporting our existing member services and enables the club to expand beyond the traditional offerings. The Oaks is committed to evolving and with your support we can achieve the highest standards in services, ensuring that every visit is met with the excellence you deserve. Please come enjoy the club and all it has to offer!

I look forward to seeing you at the club.

Sincerely,

Zach A. Malchi

President
