

June 1, 2024

Dear Oaks Members,

I hope everyone had a great Memorial Day weekend, please join me in thanking Justin, Derrick, Dan, Chef, and their staff for providing such a wonderful time at our club. As we transition into June, we are excited to welcome you to an even more vibrant season at Oaks Country Club. This month promises a host of exciting events with our ever so popular Oaks Classic member-guest tournaments, along with numerous other fun activities for everyone to enjoy. Come join us for the exciting month ahead!

The “Oaks Member Survey” has been sent to all members (via e-mail to the proprietary member), and we strongly encourage everyone to take the time to complete this survey. Only 20% of our membership has completed the survey to date! The survey is designed to be comprehensive in nature and will take some time to complete; however, the feedback we receive is crucial. Your insights and opinions are essential in growing our club in alignment with your wants and needs. If you haven’t already done so, please take a few moments to complete the survey by June 4<sup>th</sup>.

I’m sure many of you have noticed, our golf course is in the best shape it has ever been. I hope you are truly enjoying every round you play! Along with the enjoyment of the course comes a responsibility from everyone (including guests) to take care of this wonderful asset. Kindly repair divots on the greens, fill in divots in the fairways, and be mindful of where you drive the golf carts. Also, if you see a grounds staff member, please take the time to recognize their hard work. Their tireless efforts and unwavering commitments (amongst all the different weather conditions) provide us with the canvas of the wonderful game we all cherish. Without their hard work and attention to detail, our golfing experience would not be the same.

With the heat upon us, our pool is ready to provide a refreshing escape for our members. We encourage you to take full advantage of all the other amenities and opportunities the club has to offer as well. The Oaks is more than just a golf course; it is a hub of entertainment, dining, and camaraderie. By choosing the Oaks, you contribute to the growth and development of our dining and entertainment options. I know the team and committees are working hard to make the Oaks the premier choice for all our social and culinary experiences. Let’s all get out to the club and support their efforts!

In closing, we sincerely appreciate your continued support of the Oaks. As always, we encourage constructive feedback that can help grow and improve our club. In that regard, please feel free to reach out to any member of our Board of Directors, management, or committee members. Thank you for being a part of this vibrant community, I look forward to seeing you at the club this summer.

Sincerely,

Zach A. Malchi

President
