

October 1, 2024

Dear Oaks Members,

As the leaves begin to change, it's the perfect time to reflect on what a wonderful summer we've had. Signature wine and beer dinners, July 3rd Extravaganza, Oaks Men's and Women's Classic's and the Oak's Maker's Mark release party at our new back nine facilities are just to name a few of the great events. With Autumn arriving, the team has a full slate of events to help you, and your family enjoy the season to the fullest. The Stampede will kick off the fall festivities this week with 76 teams competing in our fall member-guest.

I am pleased to announce that our club remains financially strong and operationally sound. Additionally, we have a very healthy waiting list of approximately 40 prospective members. This reflects on the vibrant community we have and continue to build upon at the Club. As we enter budgeting season, I will continue to update the membership with any significant capital projects that we see on the horizon.

It is with great pleasure that I announce the extensions of employee agreements for our executive team. Justin, Derrick, Dan and Chef Anthony have made long-term commitments to lead our organization into the future. Their dedication and leadership have been instrumental in guiding us to our current successes and will play a crucial role as we continue to develop and improve upon our Club. The Board is very grateful for their commitment - I know we all look forward to their continued contributions to our Club.

By now, I am sure you all have had a chance to review the membership survey that was released at the end of August. As we embark on the development of our strategic/long-term plan, your continued feedback will be crucial. With that said, we plan to hold a town hall meeting on the evening of Thursday, November 21st. Please join the Board and Chris Coulter of the McMahon group as we review the survey results and answer any questions that may have arisen since receiving the results. This will be a fun evening with Chris as he will adding a lot of color to the survey results, please come out and join us.

In closing, I continue to be a broken record on this, but the strength of our community lies in the engagement and enthusiasm of our members. Your involvement is vital to our growth and success. As we embrace the new season, I encourage you to take advantage of the many dining options, events and activities at the Club. The new menu Chef Anthony prepared is phenomenal and has something for everyone, please get out to the Club soon and go try something new! As always, please feel free to reach out to any member of our Board of Directors, management or committee members.

I look forward to seeing you at the club!

Sincerely,

Zach A. Malchi

President
