Points to note:

- SumUp has been a huge success – £498.88 (£507.50 less £8.62 in fees) has been taken since they were introduced in mid-June.
- Easy Fundraising – the PFA have retaken control of this initiative / account from school. There are 68 supporters with only 1 consistent user. ***This needs to be promoted to increase understanding of how it works and therefore increase supporters.***
- Unfortunately, Paddle.net refund was reclaimed by the bank, becoming an expense.
- The PFA collected and banked the cash from the Emilia Colour Run and later donated it all the JustGiving page set up by the family.

Points to note:

- First payment of the financial year was £260 to Starkey's Butchers for providing burgers for the 2024 Summer Fair. This should have been paid in the previous financial year. If it had, this year's profit would have been up by £260.

- There have been £130.39 in payments to Paddle.net. A refund of 126.93 (total of all payments less the non-GBP transaction fees) was issued in February but was unfortunately reclaimed back by the bank in March. So, £130.39 has been lost.
- PFA paid for Magic Matt for the Summer Fair at the cost of £402. This was not included in costings for the event as there was a chance of getting sponsorship to cover some / all of this. Sponsorship funding was unavailable. **Send emails early to ensure sponsorship is secured for Christmas / Summer Fair entertainment.**
- £34.50 should have been included in the Summer Fair income, but payment was made in September and therefore will not be included in the 2024/25 accounts.
- £43.58 bank charges - bank account was switched from a Community Account to a Treasurer Account which should have stopped monthly charges, it has not. **Bank to be contacted about this. Consider switching banks if charges will continue.**
- PFA donated £465.43 to supporting the memorial events for Jack and Emilia.
- We have quite a lot of prize stock and consumables such as tea, coffee, sugar, disposable cups etc. left from this year's events that will carry over to next year (difficult to know the exact value of this).

Points to note:

- Discos remain popular. **Consider selling items such as glow sticks and different refreshments.**
- Easter trail has declining numbers. **This needs a rethink for 2026.**
- Magic matt was an expense - we were unable to secure sponsorship. **Ensure emails go out early to ask for sponsorship for Christmas / summer fair entertainment.**

- We were left with quite a lot of chilli / hotdogs / bread / condiments from self-catering for the summer fair. ***Be more conservative when planning perishable things like food – when it's gone, it's gone. Better to sell out then have too much left / wasted.***
