

Bell's News Letter Fall/Winter 2023

August – September – October – November - December

To our supporting Churches and Dear Friends:

Greetings in Jesus name. I would like to praise the Lord for his goodness and love for all His children. This truly is the season to be joyous. His blessings have been upon the Bell's. The Lord has allowed us to lift up His love and name in many places this quarter, and travel throughout North Carolina and Virginia

- **August** – I was able to share the word and witness at multiple Doctors visits and a CT scans. We traveled to Smithfield, Virginia and preached a wonderful Homecoming for Brother Gray. The rest of August Mamie and I traveled throughout North Carolina and preach 6 services in the month.
- **September** – In the month of September we were able to preach services down around the coast of North Carolina. We held a total 9 services throughout that area and encourage many of the churches down in that area.
- **October/November** – In the month of October and November we were able to preach 16 times throughout North Carolina. My wife and I have enjoyed the Lord's blessing of allowing us in this time of sickness to stay on the road serving and spreading the message of our Lord Jesus Christ to others. I hope that it has been as much a blessing to congregations as it has been to Mamie and I.
- **December** – We have been able to end the year sharing God's word six more time around North Carolina and Virginia. We were blessed with great services and rejoicing with other believers. We then spent the last week of 2023 surrounded by our children and grandchildren celebrating the birth of Christ.

By George S. Bishop, D.D., East Orange, New Jersey My subject is, The Testimony of the Scriptures to Themselves—their own self-evidence—the overpowering, unparticipated witness that they bring. Permit me to expand this witness under the following heads: Immortality. Authority. Transcendent Doctrine. Direct Assertion.

1. IMMORTALITY—"I have written!" All other books die. Few old books survive, and fewer of those that survive have any influence. Most of the books we quote from have been written within the last three or even one hundred years. But here is a Book whose antemundane voices had grown old, when voices spake in Eden. A Book which has survived not only with continued but increasing lustre, vitality, vivacity, popularity, rebound of influence. A Book which comes through all the shocks without a wrench, and all the furnaces of all the ages—like an iron safe—with every document in every pigeon-hole, without a warp upon it, or the smell of fire. Here is a Book of which it may be said, as of Immortal Christ Himself: "Thou hast the dew on Thy youth from the womb of the morning." A Book dating from days as ancient as those of the Ancient of Days, and which when all that makes up what we see and call the universe shall be dissolved, will still speak on in thunder-tones of majesty, and whisper-tones of light, and music-tones of love, for it is wrapping in itself the everlasting past, and opening and expanding from itself the everlasting future; and, like an all irradiating sun, will still roll on, while deathless ages roll, the one unchanging, unchangeable Revelation of God. 2. Immortality is on these pages,

AUTHORITY SETS HERE HER SEAL.

Romans 1:16 (KJV) ¹⁶ For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek.
