MISSIONARIES IN GUYANA, SOUTH AMERICA

Church Planting * Training Nationals * Children's Home * Medical Missions * Island Ministry*
Evangelism

April - May - June 2026

Dear Praying Friends,

The past three months have been filled with opportunities to share the Gospel, strengthen believers, and continue building the work the Lord has entrusted to us here in Guyana. We are continually reminded that God's hand is upon this ministry, and we are thankful for each of you who faithfully pray, give, and encourage us.

One of the highlights of this quarter was taking a group of teenagers to the Island of Essequibo on their very first Mission Trip. Together we distributed 1,000's of Gospel tracts, Bibles, and John & Romans throughout several marketplace communities. It was a wonderful opportunity to teach these young people the importance of personally sharing the Gospel while reaching many who may have never received God's Word.

On April 25th, Harbour Light Baptist Church celebrated its 11th Anniversary in the middle of a blackout. Thankfully we have the roof over the big courtyard now, so we set up chairs and worshipped the Lord outside. We had much to be grateful for. There were 131 in attendance, with 7 first time visitors and 2 who trusted Jesus Christ as their Saviour! Looking back over these years, we are humbled by God's faithfulness. Many souls have been saved, baptized, and discipled, and we give Him all the glory for what He continues to accomplish through our ministry.

Preparations are already underway for **Vacation Bible School** coming in August, as well as our annual Youth Camp. This year we are especially excited as we begin preparations for the second camp in a new location to reach the teens with the Truth!

Would you consider sponsoring a camper? The cost is 10,000 Guyanese dollars (\$50 USD) per camper. For many teens, camp becomes a life-changing week where they hear God's Word, build lasting friendships, and make important spiritual decisions. Many of them live

~2~

in poverty levels. Please pray about helping send a child to camp. Reach out to us if you feel led by the Lord to help us send a camper or two to camp.

The Lord continues to lead us toward planting a second church. We are currently working through the details and seeking His direction as to which location we should start next. A great need to start will be a church bus, as all our current buses serve the ministry at the first church of Harbour Light Baptist Church. Bus ministry is different here than in the States. Most people need to be picked up by the buses. The buses we are looking for range between **\$12,000 and \$15,000 USD**. Please pray with us that God will provide exactly what is needed to reach more families in a new location with the Gospel.

Please continue praying for the development of our 25-acre property in Kuru Kururu village. The property is currently undeveloped jungle, but exciting progress has begun. Signs have been installed, fencing is being erected, and plans are moving forward for what we believe will become a tremendous place of ministry to include: a church (maybe the next one), a Children's Home, staff cottages, campground for camps and retreats, and a Widow's Ministry. If you feel led to come help in this endeavor, we welcome you!

Much work remains, including clearing out some of the land, excavation, infrastructure, and constructing simple buildings that reflect the authentic Guyanese culture. While the task is great, we are reminded that **"Little is much when God is in it."** We trust the Lord to provide every step of the way, as He always has!

We are thankful for several individuals and families who will soon be serving alongside us on Mission Trips:

Lane Miller will be joining us for a two-month internship this summer.

The Facey family will be coming to serve during Vacation Bible School.

Sarah Hays will once again be returning to serve during Camp this time. Last year she helped with VBS and a Medical Clinic.

We are excited to see how God will use each of them in the months ahead. Please pray for them as they stay here and as they travel to and from.

We want to sincerely thank you for your faithful prayers and support. Every soul saved, every life touched, and every opportunity given is fruit that abounds to your account.

We are praying for you as well and are so grateful to serve the Lord together.

~3~

Come visit the Mission Field of Guyana. We warmly invite individuals, families, or church groups to come visit and serve with us here in Guyana. These trips are always a blessing to us and the people! You will be a blessing, and you will leave blessed!

**With grateful hearts,
Your Missionaries to Guyana
