Evangelism

November - December 2025

Dear Brothers and Sisters in the Lord,

As we closed out 2025 our hearts are so grateful for all that the Lord has done! At this time of year we focus on the Birth of Christ, and rightly so, but this year the Shepherds really stood out in our ministry as well. They were the first soul winners spreading the good news of the Birth of Christ and what they had seen. Luke 2:17 "And when they had seen it, they made known abroad the saying which was told them concerning this child."

When the shepherds saw the newborn Saviour, they didn't keep that life-changing moment to themselves. They went out and told everyone what they had seen and heard. That same joy and urgency continues to drive our ministry here in Guyana. Because of what Christ has done for us, we go... sharing the Good News wherever the Lord opens doors! We count it all joy to represent you here on this field to reach these precious souls we love so dearly!

We had a joyful end to the year. The final quarter of the year was filled with wonderful blessings and strong attendance at every service with 100-150 each service. The Christmas season brought visitors, excitement and open hearts, a few salvations and baptisms, and we were thrilled to see Christmas Candlelight service, Christmas Day service and Old Year's Night (New Year's Eve) with a large attendance!

Our Old Year's Night service was especially meaningful. Five teenage boys and men participated in "popcorn preaching," sharing short messages from God's

~2~

Word. We also heard heartfelt testimonies, enjoyed special music, shared food together, and had games and fellowship as we welcomed the New Year in a Christ-honoring way. It was a sweet time of unity and joy.

A special thank-you to Direct Line Ministries for providing Joy Gift Bags for the children. Their smiles said it all....what a blessing to see them feel loved and remembered! And what a blessing that ministry is to us to help us give a nice gift to each of the children, not just in our church but we share them out to several churches in Guyana.

In November we were able to give the church a big Tin Roof to go across the church courtyard. What a wonderful extension this has been. Thank you to all who support us to help them get these things accomplished to assist them in their service of the Lord to a better capacity.

Most importantly, as the year came to a close, we continued to see souls saved, lives changed, and believers baptized. Our church family is growing not just in number, but in spiritual depth, becoming more rooted and grounded in God's Word.

As the New Year 2026 begins, we are praising the Lord for new opportunities to strengthen leadership. We have launched Faith Bible Institute for several of our church leaders and their wives who desire a Bible college education. Please pray for them as they study and prepare for greater service.

We are also praying and preparing for a new church plant in this first quarter of the year. Our hearts are full of anticipation as we ask the Lord to open doors and guide each step.

Your prayers, love, encouragement, and financial support make this ministry possible by God's grace and provision. You are part of every soul saved, every child reached, and every life being disciplined here in Guyana. **THANK YOU!**

Prayer Requests and Praises:

God has answered every prayer request we had in 2025 more than we could have imagined! It was a great, productive, and prosperous year, all glory to God! The Venezuelan President was even captured just like that in the middle of the night. You all heard about that on the USA news! And since then, the threats to Guyana came to a halt. Praise the Lord!

***Please pray for the upcoming church plant and Bro. Neil and his family as we begin to work together to reach the people in the village of Metin-Meer-Zorg;**

***Pray we can begin legwork and new financial partnerships specifically for the Children's Home and it's construction on the Kuru Kururu land. This is a great need and we would love to see it begin to come together in 2026;**

***Pray for our health to continue strong;**

***Pray for more church folk to step up to serve the Lord. We see the potential in so many!**

***Pray for Lane Miller who is coming down to do a 2 month internship with us this summer. Pray also for a few others who are working on finalizing some details to come on Mission Trips in 2026 also.**

The door is open for any of you to schedule a Mission Trip with us. Just reach out to us. It is a blessing all the way around; for you, for us and for the precious people here! It will be a trip you will never forget. Just like the shepherds in Luke 2:17, we will continue to "make known abroad" what the Lord has done.

Thank you for being faithful partners in the Gospel here in Guyana. You are always in our hearts and prayers! We love you! God bless each of you!

With grateful hearts,
Your Missionaries to Guyana
