Ron and Sheryl Brown

Missionaries to New England

October 2026

Dear Church,

Thus saith the Lord, *“Trust in the LORD with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths.”* Prov. 3:5-6. Many have asked about our outreach to the University of Maine. We printed up a pallet of whole Bibles to give away to the students and faculty at UM. We also printed and handed out gospel tracts and other literature directing them to Faith Baptist Church. The very next Sunday, 9 students attended our services. Since then, we have had a total of 13 students visit our church, most of which have come every Sunday since the event. Please pray for their salvation as they hear the word of the Lord and that more students and faculty will come and hear the gospel.

God has always proven to provide for us. I want to take a moment to relay a present need. While we labor with small churches and church planters, typically they would not have a means to accommodate us for the months we will spend with them. We believe God is leading us to purchase an RV and truck to provide this need. This will also take the burden off the churches we will labor alongside. The type and size of RV is relative to our ministry and ministry location. In New England, it is necessary to secure an RV that will best withstand the harsh winters – a four season with special insulation and heaters for the holding tanks and lines. A fifth wheel is better suited for our needs than other RV styles, even though we have the added expense of the truck.

Some churches have asked how they can help, so we thought it best to notify all our supporting churches with this need. The Lord has already given us promised gifts for about 45% of the total cost. Sheryl and I are asking you to lift this need before the Lord. We know He will provide through His churches. If He leads you to help financially, please send your love offerings to our sending church and mark it “RV unit”. If He leads you to help prayerfully, please pray with us for God’s provision.

In Christ, Ron and Sheryl Brown

Units:

RV – 41.5’ fifth wheel,
designed for “0” degree temps.
Truck – diesel, dually truck
equipped for safe pulling

Costs:

RV – \$65,000 which is \$20,000
below retail (good deal)
Truck – \$67,000 with reliably
low miles

Laboring together with local Baptist churches **Establishing and Edifying Baptist churches**

“I have planted, Apollos watered; but God gave the increase. So then neither is he that planteth any thing, neither he that watereth; but God that giveth the increase. Now he that planteth and he that watereth are one: and every man shall receive his own reward according to his own labour. For we are labourers together with God: ye are God’s husbandry, ye are God’s building.” I Cor. 3:6-9
