Church Planting Missionaries

THIS THEN IS THE MESSAGE WHICH WE HAVE HEARD OF HIM,
AND DECLARE UNTO YOU, THAT GOD IS LIGHT, AND IN HIM
IS NO DARKNESS AT ALL.
1 JOHN 1:5

February 2024

Dear Partners in Ministry,

The need is all around us. As we open our eyes and see the souls that surround us every day, we are reminded that we have a great job to do. This week as my daughter and I were out visiting and witnessing, we met a man who didn't know for certain that he was going to heaven, and several others who were confused about what happens after death. What great opportunities to share the light of the World, Jesus Christ, who is the only way to the Father!

Language Classes - As we continue Albanian language classes, we have enjoyed not only learning the language but also learning more of the Albanian culture. Albania has a wonderful culture, and wonderful people that are interested in learning more about others. The Albanian language has been fun to learn and we are excited to better our communication.

Working While We Are Here - We were busy this past month with opportunities to teach at an intensive course at our mission board, preach chapel at the Our Generation Training Center, as well as teach children and other groups. Many of the opportunities we have had is to encourage others, whether that be churches or individuals, in the area of missions. It is a blessing to show others the need for the Gospel to be proclaimed to every nation and every creature, and to see their desire to reach the lost with the good news of Salvation!

Fier - Fier is a city in south western Albania, and is home to around two hundred thousand people. It is a beautiful city with a rich history, but does not have a church that preaches the Gospel. Would you pray with us for Fier and many other cities like it in Albania, that God would use us to reach them with the Gospel and see many churches started?

Here to preach the Gospel,
The Broyles
