Church Planting Missionaries

April 2026

“Praise ye the LORD: For it is good to sing praises unto our God; For it is pleasant; and praise is comely.”

Psalm 147:1

Dear Partners in Ministry,

The LORD is always good and for that we will ALWAYS praise Him! Thank you all for your faithfulness in praying and supporting the ministry in the Balkans, you all are an encouragement to us.

Spring is Here - Spring brings hope and new life and with that new opportunities. We are excited about what the Lord is doing in Albania. Many new Gospel tracts have been made and printed and more importantly put in the hands of the Albanian people. The Lord is also bringing new coworkers and friends to our family. We are excited in see how the Lord will build His church in Albania and we are happy to be part of His work.

Language - Preaching and teaching in albanian is something we have been working on for almost two years, many hours of studying and practicing. The Lord is blessing me with the knowledge and the ability to preach and teach in albanian, and we are praising the Lord for that joy.

Busy Month - We had many things on our schedule as we started the month but the Lord changed it all. My wife started experiencing high heart rate and pain so we drove two hours to a good hospital in Albania. We got some labs done but not much answered. The very next day we ended up in a different hospital. We spent the month in many hospitals and many different doctor's offices but without a sure answer of what is going on with her. The Lord showed His presence in the midst of these hard days in our lives, as Paty spent the month of march in bed trying to manage pain and the stress of not knowing what is causing her this. After searching for answers and not getting them in Albania the Lord has directed us to come back a little earlier to America to get medical help here. Our furlough was planned for July of this year but the Lord changed it for a little earlier than we planned or expected. Paty is having labs done again so we can start understanding how to go about her health. Please pray for healing and answers for Paty's health, and also that all the costs will be covered by our health insurance. We trust the Lord and we see His care for us even in the hard times.

Birthday girl - Our little one turned three years old! Scarlett is a blessing to us, we thank the Lord for her and the joy of being her parents. Please join us in praying for her salvation as we desire to see her put her faith in the finished work of the our Lord Jesus Christ.
