## Dear Partners in Ministry,

As we welcomed in the new year watching the thousands of fireworks going off all over our city here in Albania I could not but think of the thousands of lost souls that are in desperate need of the Gospel looking up at that same sky, and that God is calling them all to come unto Him. We thank you for your faithful support so that we might say "Come" to those here in Albania and the Balkans.

**Year in Review** - This past year was full of victories, difficulties, surprises and joy for which we give thanks to our Lord because He is always good. Our God has allowed us to continually grow in our language learning, and this has opened many doors to spread the good news of Jesus. We saw some accept Christ as their Savior, and others we are still preaching Christ to, the only one who can save them. There have been visa trials, confrontation with others, sadness, yet through it all our Lord is faithful and gives us Joy and Peace that surpasses all understanding. Thank you for your prayers and encouragement as they help us through those difficult days, so please never hold back on sending us a message or email.

**End of Year Opportunities** - We had a last minute opportunity to briefly return to the USA in December for our Regional Europe and North American missions conference, which the Lord used as a great encouragement and uplifted us as we continue to serve the Lord. We also had some special time with our home church as well as Christmas with our stateside family. I also had the privilege of being a part of the ordination of a very good friend of our family.

**Hopeful Future** - Recently we were reminded that the future is as bright as the promises of God, and God's promises are wonderful indeed! The Lord is great and greatly to be praised, and it is our desire this year to continue the work of outreach and evangelism in some specific areas of Albania. Please be in prayer as the Lord guides us and works in hearts as we go out by faith into these places and share the most wonderful news in the World! We look forward to all that the Lord will do this year here in Albania, and right where you are at now! God bless.
