

Broyles to the Balkans

Church Planting Missionaries

March 2026

Thou wilt shew me the path of life: In thy presence is fulness of joy; At thy right hand there are pleasures for evermore.

Psalm 16:11

Dear Partners in Ministry,

Our hearts are glad as we see the hand of our Lord at work, and how He has blessed us with so many people that pray and encourage our family. You all are also in our prayers as together we faithfully serve Him!

Preaching - The Lord has continued to open doors and opportunities around us, especially to preach. This past month it was great to be able to preach in Albanian and to see God working in hearts through His word. It is wonderful to see what God does when we are willing to follow Him and put in the work. We are grateful for these opportunities and pray that many would come to Christ.

Witnessing - The need for the Gospel to be proclaimed is great in Albania, but also in other areas of the Balkans. I had the opportunity to visit a wonderful church plant in Hungary, and see first hand the need the for the Gospel in that part of the Balkans as I spoke and handed out tracts to people in that country. It is encouraging to see what God is doing through His servants in that country. Pray that God would raise up more laborers for His harvest in places like Hungary, North Macedonia and all across the Balkans.

Growing - God has encouraged us as we continue to learn the language and practice it every day as we speak, converse and witness in Shqip (Albanian). Not only are we growing in the language, but our daughters are also growing. Audrey had a birthday last month and we are so thankful for the godly young girl the Lord has given us.

We will also be coming back for furlough in July of this year and would appreciate your prayers as we prepare for a van, travel, etc. If you would like to be a help in any way please reach out to our family. We look forward to all that the Lord will do this coming month!
