Our help is in the name of the Lord, who made heaven and earth. Psalm 124:8

Dear Partners in Ministry,

Isn't God great? And worthy to be praised? Yes, He is. His power and wisdom encourages our faith in knowing we serve an unchangeable God.

God's is working - Being back brings a lot of adjustments but also encouragement. In this past month we had so many opportunities to clearly share the Gospel with people around us from doctors to people that are experiencing cultural shock. A Thai lady was very quick to open up with Paty when she told her she was born and raised in Brazil in a different culture. The Gospel was shared and phones numbers exchanged with Kwan and her two kids. We have also been witnessing and praying for Amber and Avery as they desperately need Jesus and are also listening to the Gospel.

Language - I was able to finish language school early even when we had more on our plate than expected, but Praise the Lord that it was accomplished, after two and a half years of working on that. Now for God's glory, we can teach in three different languages and we know the Lord will use it in a great way to bring lost souls to His feet. We still don't have documents to stay in Albania, so please help us in prayer that the Lord will guide us and give us wisdom in this matter.

Recovery - My wife is doing better, praise the Lord! We have some doctor's appointments ahead of us still but we are praising the Lord for His help and love towards my wife. Thank you for praying for Paty and please continue praying as she still has to navigate her condition and get more answers. The Lord also blessed our family with another year of my wife's life! She is a woman that loves the Lord, a wife that serves and a mom that teaches by example and is always ready for God's work. She is a great part of our ministry.

Thank you for your faithfulness and encouragement as we continue to serve the Lord.
