Church Planting Missionaries

October 2025

And it shall come to pass, that whosoever shall call on the name of the Lord shall be delivered:

Joel 2:32

Dear Partners in Ministry,

We pray for you all often and for the Lord to be working in and through you all for the furtherance of the Gospel. We are so thankful for your prayers and the encouragement your faithfulness to the Lord is to our family.

Growth - Our daughters Audrey (7), Hadassa (5) and Scarlett (2) are all growing quickly, learning well and understanding Albanian much better. Their Albanian friends love playing games with them and helping them to learn and understand the language. They are always surprising us with new words that they have learned.

Hope - In the month of September the Lord gave us many opportunities to share about Jesus Christ, and the hope that is in our Savior. One man that I have been witnessing to for some time opened up about his broken family. This led to sharing that the only hope for healing our brokenness is Jesus. Please pray for this man, son and family that God would be working in their hearts that they might trust in Jesus alone for Salvation. Another opportunity came while Paty and I were talking to a woman about our faith in Jesus alone for Salvation. She listened to every word intently, but in the end said "it cannot be that easy!" Many here, like in the rest of the world, think that by living a good life they can get to heaven. Pray again that these people would understand Ephesians 2:8-9, and put their faith in Christ Jesus.

Speaking - The Lord is helping us in our language learning and we are so thankful for the good progress He has allowed our hard work to produce. Some days can be discouraging, but then you run into someone you have not spoken to in a while and they say that your language has progressed very well, and that encourages us to continue strong for the Lord. Our God is victorious and we trust in Him to do great and mighty things!

VBS Partners - This summer we had the opportunity to partner with a few of our supporting churches for VBS. We were blessed by the opportunity to share missions from the mission field. It helped us feel close to you all. If any of you are instrested in partnering with our family for any event in your church, please let us know. **God Bless!**
