## Dear Partners in Ministry,

God is our refuge and fortress and we can trust in Him because He is faithful, kind and merciful. His promises are true and our hearts are joyful to serve such a wonderful Savior! We are thankful to Him for your kindness and faithfulness in prayer and support of our family as we serve Him in the Balkans.

**Documents** - While we are thankful that for now our documentation has been processed, there is still a lot of unknown about our visas. So we are still having to run after documents on very frequent basis. Please pray that the Lord would open the door for much longer term visas than the ones we currently have so we will not have to deal with this expensive, time consuming and stressful situation.

**Friends and Family** - During the month of August we had some very good friends of ours come to visit for a week. It was such a breath of fresh air for all of us and a wonderfully encouraging time as well. We are thankful for godly friends that love our family, and that love the lost people here in Albania and desire for them to come to know Christ as their Savior.

**Words and Witnessing** - Progress in the Albanian language is a constant battle as we dedicate our time and effort in studying, reading, writing and especially speaking. Sometimes the words just seem to vanish from our mind, or other times you use a completely wrong word with such confidence that you just have to laugh it off and start again. After witnessing to a barber he thanked me for speaking about the Bible to him in his language. Another man that is a believer thanked us for coming to his country to start churches because "we need many more!". Please pray that we would continue to make great progress in the language so that we can more effectively preach the Gospel and share about Jesus Christ!
