

THE CARDENS

See The Harvest Director for WWNTBM

Dear Praying Friends,

"And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us" - 1 John 5:14

September has been a month filled with God's goodness and answered prayer! It's been incredible to see God give us the answers to prayer we have longed for.

Firstly, at the beginning of the month, we were able to purchase a truck! We are so thankful for how the Lord provided both the funds for a down-payment, and the opportunity to purchase this particular truck. It is everything we have been praying for in a vehicle and God truly provides exceeding abundantly above all that we ask or think! We are still praying He will bring in the remaining funds to pay off the truck completely, but what a big God we serve!

Secondly, Atlas officially graduated from his cranial band treatment! After almost 4 months in his helmet, he is completely finished. His doctor was very pleased with the results, as are we. Atlas was a trooper, even during the hottest summer months! The Lord gave us grace to take care of him, and we know he is glad to be finished.

Thirdly, we've been able to schedule a lot of meetings this month! After going through a dry season of booking deputation meetings, it has been amazing to see the Lord provide connections and opportunities. Our calendar for the remainder of the year is filling up, and we've got a travel schedule already forming for 2027. We praise the Lord for all he's done!

We also had the privilege of reporting at several of our supporting churches in September, as well as being a part of our sending church's missions conference. We look forward to getting back on the road again next month!

We would be grateful if you partnered with us in prayer about these requests during October:

- **Fruitful Meetings.** Pray that the connections we make next month will lead to faithful supporters for our family, both financially and through prayer.
- **Vehicle Fund.** Continue to pray God provides the remaining funds for the vehicle. Currently, our progress is: **\$23,595 / \$40,000.**

For His Glory,

Cody, Nikayla, and Atlas Carden
