

Praises

I was able to preach the gospel to many unsaved people at Julio's funeral.

We had a great Chilean Independence Day celebration.

Prayer Requests

The church's first anniversary service is October 19th. Please pray it will be a fruitful day.

Please pray that God will provide the funds for Joy Baptist Church to have a new property.

I preached my first funeral in Chile this past month. A man named Julio came to us about six months ago. Sebastian led him to the Lord and he had actually completed his first discipleship course when he passed away after an extended battle with cancer. I was able, along with Sebastian, to give the gospel clearly to the fifty or sixty people there, most of whom had probably never heard it before.

September also marked Chile's Independence Day. We had a celebration at the church with games and a cookout after the morning service. We were blessed to get to spend this time together as believers fellowshipping, and I was thrilled by how everybody pitched in and made the day a success.

As mentioned in our previous prayer letter, we're at the point where we need to purchase a property for the church to have a permanent home. We want to leave a self-supporting church, and having its own property would go a long way toward that.

Our area is very close to downtown Santiago, with many high rise apartments and thousands of people shoved into a smaller space. Due to this, property is more expensive where we are as compared to other parts of the city. As I've looked, prayed, and sought counsel, I've come to the decision that we would need \$250,000 to purchase a piece of property that could realistically be used for the church.

If you would like to invest in helping the members of Joy Baptist Church obtain a permanent church property, donations can be sent to:
