

Kids Club in Santa Isabel

A few weeks ago, the church and ministry where we are serving started a kids' club in a neighborhood called Santa Isabel. We have been going to the kids' club to help in any way we can. It is also a good way for us to immerse ourselves in Portuguese. Our daughter, Everleigh, enjoys going and spending time with the other children. Each week, there have been nearly 60-75 kids. This is an excellent opportunity to reach families in this neighborhood with the gospel. We pray that God will use this opportunity to change lives in this neighborhood, Santa Isabel.

Making New Connections

This past month, we made more connections and friendships. We spent time in the homes of several Mozambican families, where we practiced our language skills, learned more about culture, and continued to develop relationships and friendships with people. We are thankful for these opportunities and pray for more in the future.

Second Anniversary Service in Mahotas

At the end of May, we went to Bible Baptist Church in Mahotas to celebrate their 2nd Anniversary. Pastor Lopez started this church two years ago, and God is blessing this ministry. Nearly 75 adults plus 40 children, including 25 first-time visitors, were at the service. We are thankful for the opportunity to attend this service, where I also had the chance to preach in Portuguese. I am still learning and have a long way to go in Portuguese, but it is a blessing to be at the point where we can minister to the Portuguese-speaking people in Mozambique.

Bible Studies

Over the past few months, I have studied the Bible with different people here in Mozambique. We are still learning Portuguese, but we are becoming capable of communicating in basic terms and even explaining parts of the Bible. This has been a good exercise as it has helped me to continue to progress in Portuguese while also making friends and helping others to grow spiritually. Lord willing, we will continue to work in this area as we learn and grow in Portuguese.

As always, thank you for your prayers and support as we strive to serve our Lord in Mozambique, Africa.
