CHURCH PLANTING MISSIONARIES IN MOZAMBIQUE, AFRICA

Greetings to all of our friends. Thank you for your continued prayers and support. God is working in Mozambique. Even in this past month, we have seen several souls come to Christ for salvation. God is working, but there is still much to do.

The Church in Mahotas

In April, several new visitors came to the church. We continue in the outreach ministry each week, and many people made professions of faith. Please continue to pray for the growth of this church.

Next week, on May 31st, we will celebrate the 3rd anniversary of the church. Pastor Lopez, the missionary from Mexico, started this church 3 years ago. God has used this church to make an impact in its community. Please pray for the special anniversary service. We know that there will be many visitors who will be lost in attendance.

Market Bible Study

Thank you for praying for us and the Bible studies. God is blessing the work in the market. Each week, in the two studies, we have 20-30 men in attendance. Lately, they have been asking many questions about salvation and about how to live for Jesus. **Most of these men have never heard the Bible clearly taught.** It is a blessing to see how God is working in this group. Please continue to pray for them.

Visa Renewal

In April, we renewed our visas. In Mozambique, we have missionary visas, but they must be renewed every year. We went to immigration with all of our documents in April. We had some minor difficulties, but the Lord helped us, and in the end, we successfully renewed our visas. Praise the Lord. **Thank you for praying for us regarding our visas.**

Furlough

In June, we will be taking a short furlough. We are nearing the end of our 2-year term of language and culture training. We will go on a short furlough and then return to Mozambique to start our first church. Please pray for us as we prepare for this trip, and that the Lord would continue to work as we return to start our first church.
